## Social Distancing Solutions For Your Business

---

**CDI World-UK & Europe are constantly adapting and innovating by providing solutions for everyday challenges, whether they are exhibition stands, events, conferences or retail and business interiors.**

With over 60 years providing bespoke constructions and with the skills of our team we have increased our portfolio of solutions to now support a range of business environments that need to implement a temporary change in operation by reducing risk and implementing structures to enforce social distancing.

Our range of products in this catalogue is just a small selection of possible solutions for your business, but our R&D department is able to develop any additional solution to accommodate your needs. Drop us an email and we'll be happy to talk and discuss.

We are able to offer site visits to businesses across the UK for complex requirements, whilst fully observing and complying to Government guidance on Social distancing.

## Office Desk Dividers

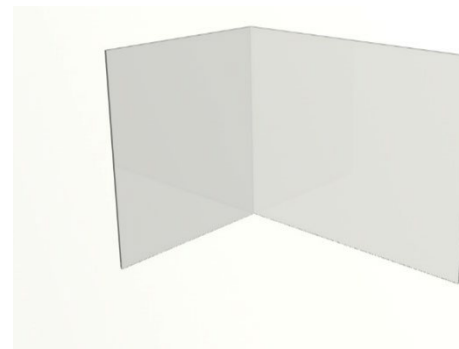

Protect individuals by creating separation dividers between desks and workstations. Designed to keep distance and reduce risk, our range of desk dividers are fully bespoke to create a unique solution for your environment.

Our 4-way connecting pillars allow modular construction and means you can adapt and reconfigure to continue meeting your needs over time

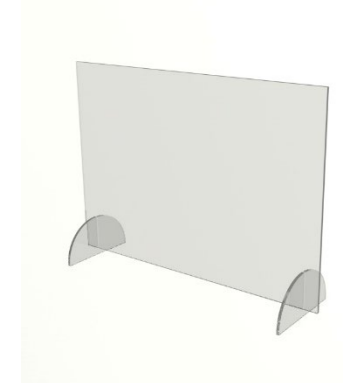

U-shaped

L-shaped

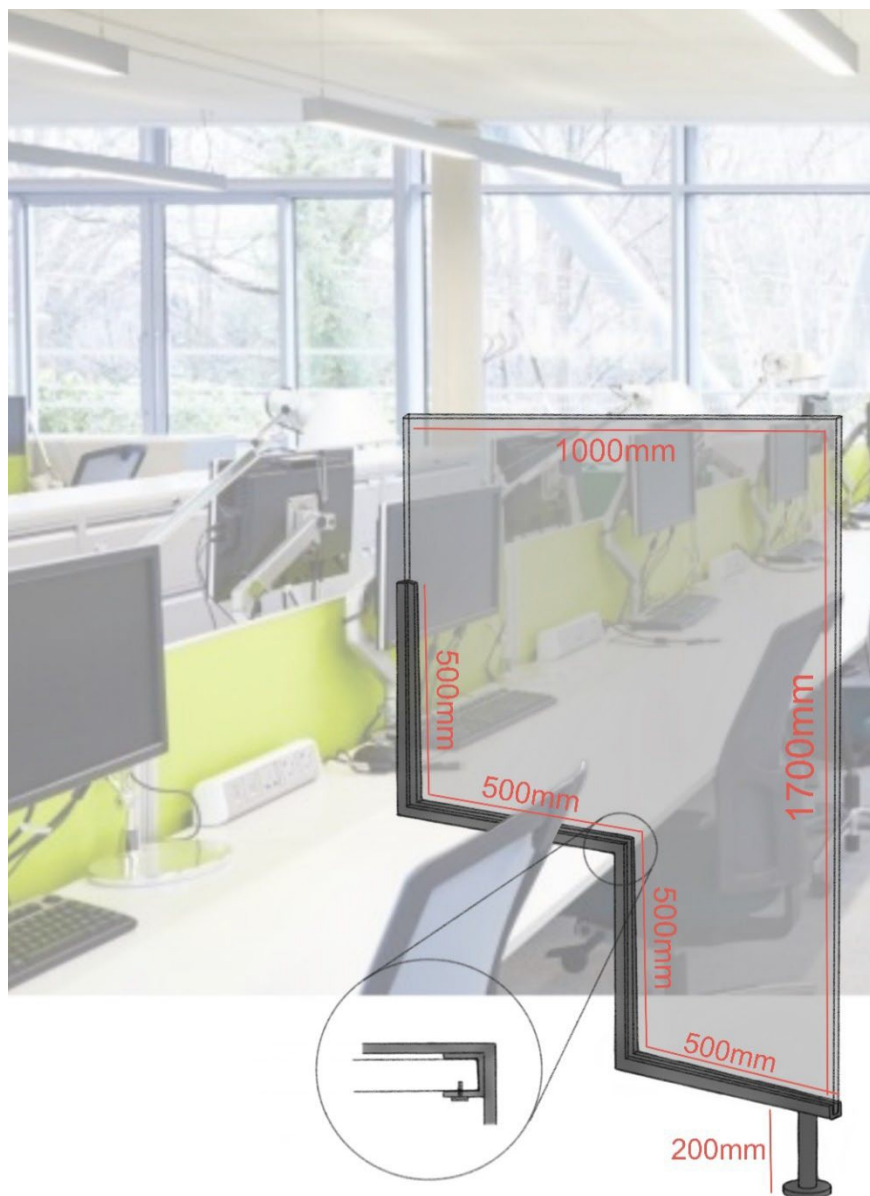

Straight

Customise to your Environment with frosted or clear acrylic and add graphics

Range of colours available – see page 14

## Retrofit floor standing screens
